

The Water Bond Referendum

We are not trying to tell you how to vote on the water bond issue at Mokena this Saturday.

You will vote as you please and that is your right.

We would use this space, however, to tell you that this is a most important election. It is important because water is important. It is probably the most important thing in our daily lives.

A person can live a long time without food but one cannot exist long without water. And in our present complex civilization our ability to cope with problems involving sanitation depends entirely on water.

If we are to maintain life and health water is essential.

To assure the community of an adequate supply Mokena should have another well and another pumping station. Should the present pump break down there would be no water supply until it was repaired. If such an emergency lasted for a week conditions would become intolerable and doubtless many

who oppose a new well would favor boiling officials in oil or meting out some other dire punishment because they had failed to guard against such a contingency. We humans are like that.

Mokena also lacks sufficient mains to provide its present populations with adequate water pressure for household and commercial need and fire protection. There are areas where there are no mains and consequently little protection against fire.

The present water system is in need of improvement.

The village proposes to pay for such improvements thru general obligation bonds. As for why it doesn't pay for the work out of the depreciation and contingency fund that is made up of earnings of the water and sewer department after other obligations called for in the original bond ordinance are met, the answer is simple--the fund hasn't accumulated that much money yet.

Out of the earnings of the sewer and water system the operating and mainten-

ance costs are paid. Money also must be set aside to pay the principal and interest on the revenue bonds. Then money has to be set aside in a special fund to guarantee interest and principal payments to bond holders in the event something happened to interrupt regular payments, like a depression, for example. Then the money that is left is placed in the depreciation and contingency account. This last fund naturally builds up slower than the others.

It is probable that some of this revenue will be used, it was said, because there is a possibility that the proposed \$105,000 bond issue will not be enough. It is estimated that a well with a 14-inch casing, as proposed, will cost around \$40,000. Then there is the matter of a pump, a pump house, and extensive repairs to the present water storage tank, plus approximately 8,100 feet of six and eight-inch mains to be installed.

Whether you vote yes or no, you should express your opinion Saturday. It is a very important question we have before us.

GETS DONATION - In conjunction with the Fifth District Meeting, Department of Illinois, Veterans of Foreign Wars of the U.S., scheduled to be held in Mokena on Sunday, Aug. 8, the local post is accepting canned goods for the National Home at Eaton Rapids, Mich., for widows and orphans. One of the donors is the Arbury Hills Baseball League, which donated two cases of peanut butter and \$2. Left to right, James Lillie, post commander; E. D. Friant and C. A. Zugenbuehler, co-chairmen of the canned foods drive, accept the donation from Barbara Lindeman, Joe Arcuri and Fran Cones, representing the Arbury Hills league. Mokena VFW Post Will Host District Meeting

For the first time in its existence, Wm. Martin Post 725, Veterans of Foreign Wars, Mokena, has been selected to host the quarterly meeting of the Fifth District, Department of Illinois, Sunday, Aug. 8. A total of 54 posts, representing the largest district in the VFW will take part in this meeting.

Of major importance will be the annual collection of canned food for the National Home at Eaton Rapids, Mich. The home is maintained by the organization for the widows and orphans of deceased members. Posts within the district will bring their donations of canned goods to Mokena, where they will be loaded upon a truck for delivery to the National Home.

The local post is in the process of collecting canned goods as well as cash to be used toward the purchase of the requested items. Al-

tho all canned food is needed and readily accepted, this year the posts within the district are placing particular emphasis on peanut butter, tuna fish and fruit juices. Commander James Lillie has appointed E. D. Friant and C. A. Zugenbuehler as co-chairmen of the local canned goods drive.

Along with its donation of food, the Mokena post is donating \$50 for the Scholarship Fund at the National Home. The fund provides orphans with the opportunity for further education upon completion of high school.

While the men representing the various posts hold their meeting at the Post home, representatives of the Ladies Auxiliary will use the facilities at St. Mary's school. Upon completion of the business sessions, both segments will regroup at the post for refreshments and music.

Mokena To Vote On Water Bond Issue This Saturday

Whether the village of Mokena will be able to make proposed improvements to its 67-year old water system will be decided by the voters at a referendum to be held this Saturday, July 31.

The village board is asking authority to issue \$105,000 of general obligation bonds to finance the program.

The village proposes to drill and equip a new well, repair the water storage tank and install a chlorinator, master meter and ap-

proximately 8,100 feet of six and eight-inch water mains.

The village has but one well and some sections lack proper pressure and fire protection, it is pointed out by the village board. All members of the board recommend that the improvements be made.

It is reported there is opposition to the program in some quarters. A similar proposal was voted down last year but those favoring it believe that water problems in other communities this summer have caused some of those who have been a-

gainst the improvements to change their minds. Some places -- Joliet was one-- had to shut down wells to make repairs this summer, it was pointed out, and while that reduced the supply they had other wells so were not left without water.

"If that happened in Mokena," a board spokesman stated, "the community would be waterless because we have but the one well."

The village hall will serve as the polling place. The polls will be open from 6 a.m. to 6 p.m.

Board members hope for a large turnout of voters so that whatever decision is reached it will reflect the majority opinion of the community.

The village board has distributed a pamphlet to all households in the community, outlining the proposed program.

Simon Out, Massey In As Frankfort Police Chief

Francis Simon, 53, who would have been chief of police at Frankfort nine years in November has been fired. He has been succeeded by Ted A. Massey, 57, Frankfort business man and a former member of the village board.

Simon received a registered letter Monday morning stating that effective at 12 noon, July 26, his services would be terminated. The letter, signed by Mayor Glenn Warning, was dated July 24.

Simon said he had been informed on July 20 that he would be replaced Aug. 20. Mayor Warning said that Simon was told he could remain until Aug. 20 if he would resign. Simon chose not to resign so the letter discharging him followed.

Simon is a veteran police officer of 20 years. Before coming to Frankfort he served with the Blue Island police department and with the Cook county police.

A petition addressed to the

village board urging that Simon be retained as chief is being circulated by Eskimo Paul. As of noon Monday it carried 85 signatures, it was reported.

The new chief, Massey, was sworn in shortly after noon of Monday at the village hall. He was appointed by Mayor Warning on the recommendation of the board's police committee which is headed by Trustee James McLemore.

In taking over as police chief, Massey has divorced himself from the Texaco Oil station he has been operating at the junction of U.S. 45 and 30. Previously he had operated the Standard station and a motel. He also served on the Frankfort village board several years ago and was a district governor for the Lions. Last spring he was a candidate for supervisor on the People's ticket in the town election, losing to the incumbent, George Tate.

Begin Total Energy Plant To Serve Lewis College

Construction has been started for a "total energy" power plant to serve Lewis College, a liberal arts college for men in Lockport, administered by the Christian Brothers.

The natural gas system will produce the energy for all electricity, lighting, heating and cooling for several existing buildings. In addition, the total energy system is designed to meet the entire power needs of new buildings which will be constructed on the campus during the next five years.

The \$10 million development program for the college will include four new residence halls with a central student services building, a new library, a theater-arts building, an addition to the gymnasium, an academic building and a faculty residence hall.

The Christian Brothers also will build a novitiate, scholasticate and national secretariat on the campus. At the ground-breaking for the power plant, Brother Joel Damian, F. S. C., trustee of Lewis College, said that "the construction of the on-site

power generation system promises to bring a considerable savings to the annual budget.

"These savings in energy costs will permit us to continue to upgrade our faculty and attract the calibre of future faculty members we will need to continue our growth and development."

Architects for the energy building are Drake-O'Meara and Associates. The energy system was designed by Charles J. R. McClure and Associates in cooperation with Northern Illinois Gas Company.

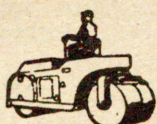

NI-Gas president Marvin Chandler commented at the ground-breaking that this is the company's first total energy system for a college complex and its 25th on-site natural gas power generation installation in northern Illinois.

Lewis College, with a present enrollment of 1,010 students and an expected 1,600 students by 1970, also conducts the Lewis Tech-

nical Institute on the campus. This is a 12-month, non-degree vocational and technical program for young men seeking a career in the avia-

tion industry. The Lewis College airport is operated in connection with this program.

Milk Producers To Get Hearing On Price Rise

Assistant Secretary of Agriculture George L. Mehren today assured representatives of Associated Dairymen, Inc., that the department of agriculture will hold a hearing in mid-September in Chicago on their request that the supply-demand adjuster in the Chicago Federal milk market order be revised to increase the Class I milk price paid producers by 24 cents per hundredweight.

This was reported by A. L. McWilliams, general manager of Pure Milk Association, who was in the Associated Dairymen's group which conferred with Mehren to obtain an early hearing on this request.

Pure Milk Association is one of 33 dairy farmer cooperatives with membership in Associated Dairymen an organization which provides these cooperatives with the opportunity to work

jointly for better producer milk prices thruout the Midwest and Southwest.

The supply-demand adjuster in the Chicago market order is part of the formula the government follows in determining monthly minimum price levels which handlers must not go below in paying producers for Class I milk (milk used for bottling purposes).

Pure Milk Association and the other members of Associated Dairymen insist that although the supply-demand adjuster was devised to move the Chicago producer price up or down, depending upon the percentage of milk utilized in Class I, it has only operated to keep that price down 24 cents per hundredweight for many years and has been depressing prices paid dairy farmers thruout the Midwest and Southwest.

Marley Farmer Wins Boat In Free Drawing

Fred Helmke, 72, a farmer in the Marley area whose mailing address is Mokena, has become one of the steadily increasing number of speed boat owners.

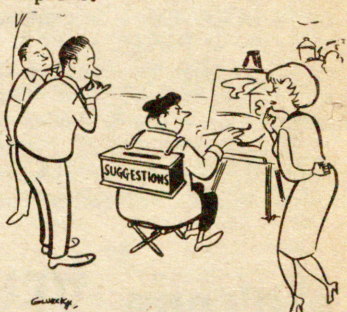

The boat, an outboard runabout with a 55 h.p. engine, and convertible top, and an aluminum trailer to haul it on, were delivered to Mr. Helmke last Thursday at the Phillips 66 station operated by Joseph Alexander in conjunction with Al's Truck Stop, Routes 6 and 7, Orland township.

The only cost to Mr. Helmke will be the tax he will have to pay the income tax people. Mr. Helmke won the boat in a drawing conducted by the Phillips Petroleum Co., whose distributor in this area is the Mokena Oil Co. There was nothing to buy. All he had to do was write his name and address on a blank and

drop it in a box at a Phillips station.

In this case the box was at Al's Truck Stop and because it was Mr. Alexander also received a prize—\$250 in cash, from the petroleum firm. Beginning in June it was announced Phillips would give away such a boat every month for five months. There are still three to be given away.

As of last week Mr. Helmke had not decided whether to keep or sell his prize.

Suburban Crime Rate Is Up, Jurist Warns

Faced with a rise in crime suburban communities should strive for improvement in their law enforcement, Circuit Judge Irving Eiserman told members of the Orland Park Chamber of Commerce at a dinner meeting in the Palos Country club.

Just to hire men as policemen is not enough, he pointed out. They should be schooled and trained so they become proficient in their duties.

Professional criminals are turning to the suburbs, the judge said, so it is necessary that crime fighters become professional too.

In a report made by the FBI last Monday, it was pointed out that the number of serious crimes in the nation is 13 per cent greater than in 1963. The sharpest rise occurred in the suburbs, 17 per cent, the report stated. Murder, aggravated assault, robbery, burglary, larceny of \$50 or more and auto theft are considered serious crimes by the FBI for statistical purposes.

Judge Eiserman, chief judge of the fifth district in which Orland Park is in-

cluded, said there are many details yet to be worked out under the new court system. Some communities have insisted upon being paid for use of their facilities for court sessions, he said, but funds are not available for such purposes. In such instances those areas must take their cases to other places. This makes it difficult in the case of parttime police officers who work at their regular jobs during the day.

The village of Orland Park provides court facilities in the municipal building and a magistrate holds night sessions so their parttime policemen can attend without sacrifice of time or pay from their regular jobs.

Judge Eiserman pointed out that traffic arrests were intended as a protective measure for other motorists and pedestrians and not to produce revenue.

The speaker was introduced by Orland's police chief, Frank C. Guetter, who is also president of the Chamber of Commerce. Mayor Melvin Doogan and other village officials attended the meeting.

Will Co. ASC Committee To Be Elected Tomorrow

The Will County Agricultural Stabilization and Conservation (ASC) Committee for next year will be elected by farmer-chosen delegates to a county convention July 30, at 9:30 a.m., at 1256 West Jefferson st., Joliet, according to Roy M. Smith, chairman, ASC County Committee. The convention will be open to the public, and any person interested in observing the voting procedure may attend. However, only farmer-delegates to the convention may participate in the election process. The delegate body will include three farmers from each community. There are twelve (12) communities in Will county, therefore, the county convention will include 36 voting delegates. Election is by secret ballot and plurality vote.

ASC county and community committeemen are in charge of the local administration of such farm-action programs as the agricultural conservation program, the feed grain program, the voluntary wheat program, acreage allotments and marketing quotas, the National wool

program, the sugar program, commodity price-support loans, and storage facility loans.

A qualified candidate for service on the ASC county committee, the chairman explained, is one who is a resident eligible to vote in one of the community elections in the county, and who meets other eligibility requirements. Eligibility to vote or hold office as a committeeman is not restricted by reason of race, color, creed, or national origin. Other details as to qualifications of candidates are available in the ASCS county office.

Mr. Smith pointed out that county committeemen will be elected for staggered terms of office this year. One member for three years, one for two years and one for one year. The two alternates will each be elected for one year terms. In succeeding years, one member will be elected for a three-year term and two alternates for one year each.

This change is being made to strengthen the committee system, it was stated.

Hold Funeral Services For Mary Tucker

Funeral services were held Wednesday, July 21 for Mary L. Tucker, formerly of Orland Park. The Rev. Leon Leatherman officiated at the service and interment was at Evergreen Park cemetery.

Survived by one granddaughter, Mrs. Carol Chesmar of Crete; 6 great-grandchildren and one brother, Arthur Hitzman of Chicago.

Preceded in death by her husband Walter F. and one daughter, Mrs. Bessie Chase.

Mrs. Tucker was 82 years old. She had resided in Chicago before coming to Orland Park four years ago.

She became ill and was hospitalized. When released from the hospital she was taken to Crete to her granddaughter's home.

She was a member of the Orland Park Methodist church for several years. Mrs. Tucker took part in the Esther Circle and the cancer dressing group.

She was also a member of the Auxiliary to the Spanish American vets.

Anna Deering Succumbs At 74; Rites Tuesday

Mrs. Anna Deering, 74, a resident of Chicago for 35 years but who had been making her home with a sister, Mrs. Rose Johnson, Route 1, New Lenox, died last Saturday, July 24, at Silver Cross hospital.

She was the daughter of the late Peter and Katherine Kann. Her husband, Charles, also preceded her in death.

Surviving Mrs. Deering are two sisters, Mrs. Johnson, and Mrs. Ruth Babcock, also of New Lenox, and two brothers, Walter and Martin, both of Orland Park.

Removal was to the Schmaedeke funeral home at Orland Park where services were conducted Tuesday afternoon at 1:30 o'clock with the Rev. Wallace Misterek officiating. Burial was in Christ Lutheran church cemetery.

CD Director Appoints Communications Head

James Hagerdorn, of 15031 Highland ave., has been appointed communications director of the Civil Defense set up at Orland Park. It was announced by Edward Foster, director of the project, is a report to the village board.

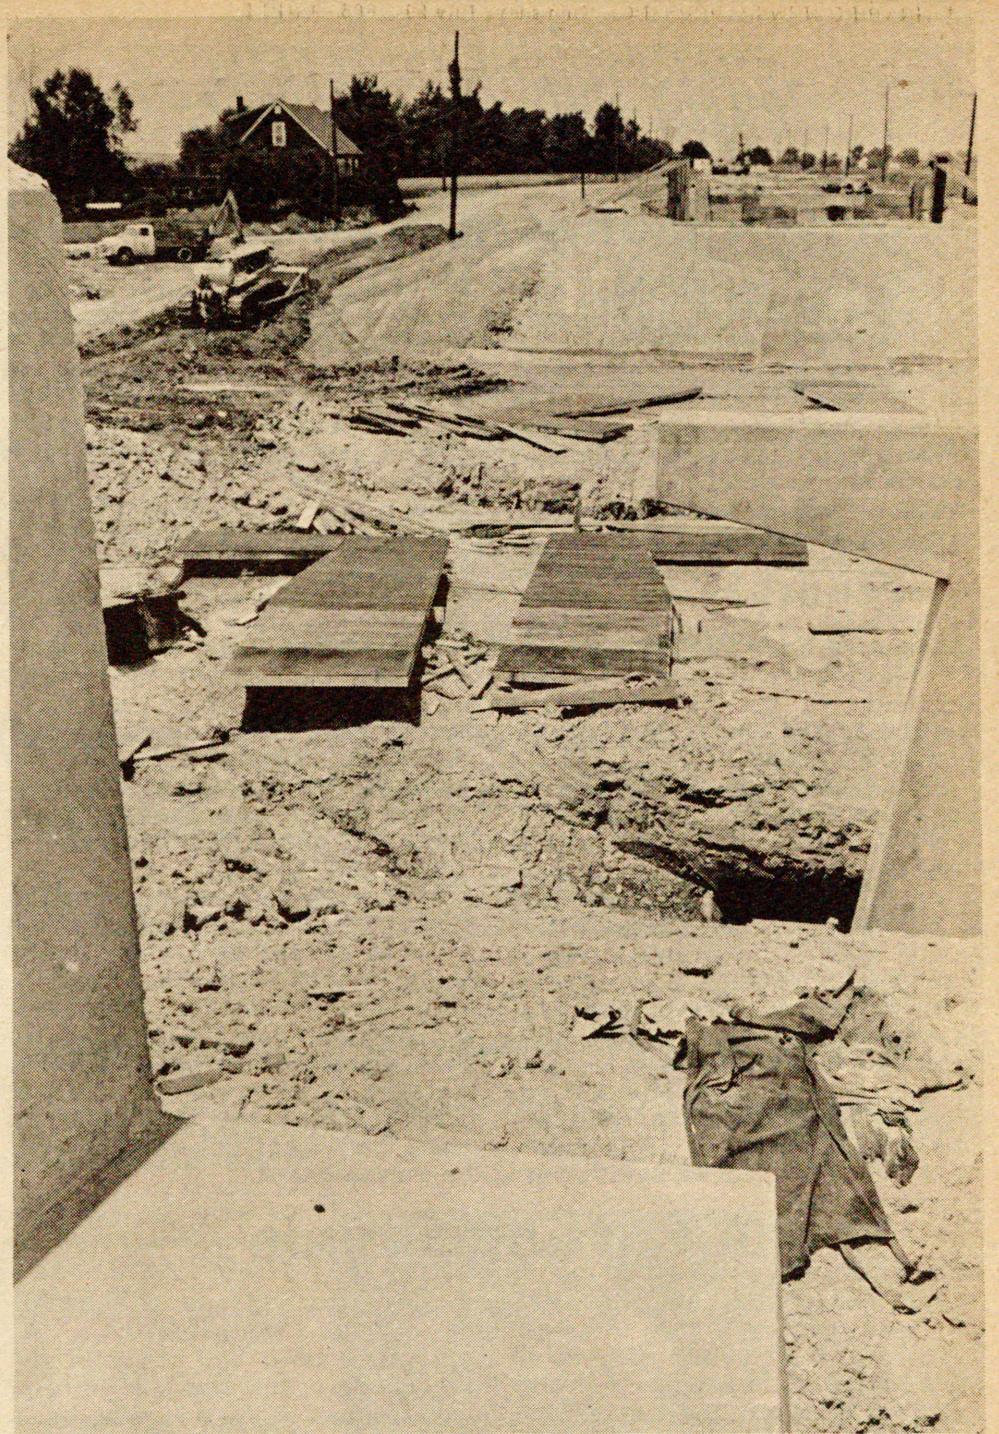

Anyone interested in communications work is invited to join the civil defense program. Ham operators are needed as well as those with mobile CB (citizen bands) units.

Foster said that 15 women and 15 men are needed for the auxiliary police

NAMES BUILDING FOR STEVENSON

Illinois State university announced that its new humanities building will be named in honor of the late Adlai E. Stevenson, U.S. ambassador to the United Nations, who died July 14.

The building, scheduled to go under construction next spring with completion in 1967, will be officially known as Adlai E. Stevenson Hall for the Humanities.

NOT AN EXCAVATION for a big building. It is an excavation all right, but it is for FAL-80 on the grade it will be on when it passes under Wolf rd. in the vicinity of Marley rd. north of Mokena. Progress on the missing link of I-80 between Hazel Crest and Joliet is confined to grade separations. No telling when they will get around to the actual building of I-80 in the area, according to late reports. (Graphic Newspapers photo)

Defers Decision On I-1 Zoning At Maple & Wolf

Decision of a petition for an I-1 (light industrial) classification for property on the east side of Wolf rd., south of Maple st., filed by Casimer Wlock, owner, of

Mokena, has been deferred by the Will county zoning board of appeals.

Hearing on the petition was held at the Cooper and Hostert garage, Mokena, last week.

Paul Knierim, of the K. & K. Well Drilling Co., who has an option on the property, would store his well-drilling equipment and trucks there if the change is allowed, the board was told.

Several objectors protested against opening the area to an industrial zone.

The land described in the original petition embraces five acres. Knierim agreed to reduce it, stating that the portion behind a house that stands on the property would satisfy his needs. Pending amendment to the petition the zoning board withheld action and has taken the case under advisement.

Grain Bin Sale Set For Aug. 12

Will County ASC committee, acting as agents for Commodity Credit Corporation, will offer for sale 40 grain bins at the Peotone Bin Site, No. 726.

The sale, a public auction, will be held Aug. 12, at the bin site a mile north of Peotone on Route 54 and half a mile west.

The sale will open at 9:30 a.m. The bins are 3300 bushel capacity and can be inspected between 8 and 4 o'clock Aug. 10 and 11.

Nelson for a B-1a (business) zoning for a piece of property at 197th st. and 115th ave., was withdrawn before a hearing was held.

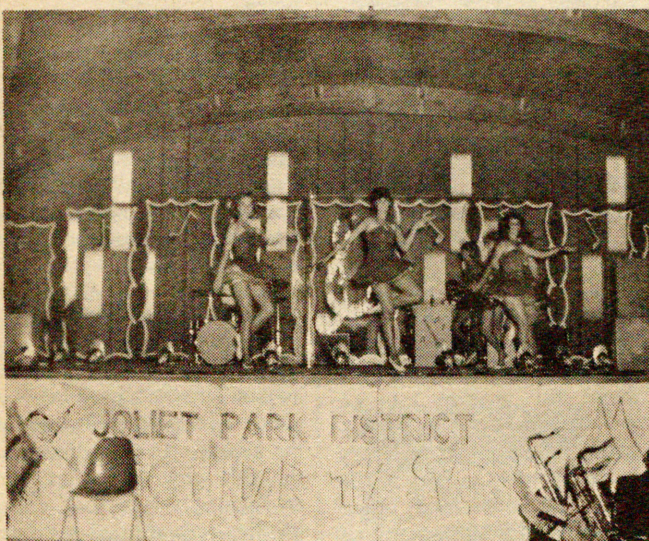

17 Teachers Back Again At Mokena

Mokena teachers who served the past year and have signed contracts for the 1965-66 school year are 17 in number.

Eugene Merrill, who is principal at Carpenter Street school, is on this list because he also serves as a sixth grade teacher. Coleman Rogers will be back again as principal at Willowcrest but he does not teach. Supt. James Ennis, of course, will head the system again.

There are 27 on the faculty. The names of the new members were published recently. The returning teachers are:

Mrs. Karen Ivens, Mrs. Elaine Grant and Mrs. Paul-ette McGuire, first grade; Mrs. Joan Olson, second grade; Miss Eleanor Pester, Mrs. Dorothy Grady, Miss Mildred Lestina, third grade; Mrs. Minnie Pester, fourth grade; Fred Kieslar, fifth grade; Mrs. Marcella Lehmann and Mr. Morrall, sixth grade; Jerry McGuire, science, P.E. and health; Mary Donahue, language arts; Mrs. Madelon Gregory, mathematics; Sharon Connelly, vocal music; Perry Friedman, instrumental music; Mrs. Wilma Wegler, speech correctionist.

A Dangerous Road

Statements by top union and government officials have been in the papers concerning why Section 14 (b) of the Taft-Hartley Act should be repealed. The reason seems to be to give the unions more power and money, and to keep campaign promises. Neither answer bears on the principle involved.

The growth of centralized government in the U.S. is frightening. Compulsion is applied to the most personal affairs of life such as the right to not pay for a job, the right to not pay for state medicine, and the right to freedom of choice.

A bill has been introduced in Congress to exempt members of certain religious organizations from being compelled to join a union to hold a job, because this is contrary to their basic religious convictions and teachings of their churches. Are their convictions any more sacred than those of individuals who were taught to uphold freedom in the U.S. and what it stands for as compared with special privileges for special classes? It is ridiculous for one law to say that if

I belong to a certain church, I have a right to not join some organization which another law says I would have to join to hold a job.

Last year, Congress passed a law outlawing job discrimination on the basis of color, race, religion, creed, etc. Now it is being asked to legalize discrimination in employment because of lack of membership in a private organization -- a labor union. This is as unthinkable as asking Congress to legalize nonemployment of a man because he chooses to belong to a labor union, or because he doesn't belong to the National Association of Manufacturers and pay dues. Either way, it is unjustified limitation of action and thought.

It is most depressing to see the time of the U.S. Congress taken up with proposals to deny states their right to pass right-to-work laws, thus taking one more step down the road to federalization of local affairs. Another generation or so along this road we are traveling and state and local government will be emasculated.

A Passing Season

The seasons of the year run their course swiftly. No one knows that better than our tens of millions of youngsters. For the summer vacation is already over half gone, and the beginning of the next school year approaches swiftly.

Many, perhaps most, will return to school with a feeling of regret. Summer vacation, with all its sports and many-sided attractions, is fun. It's only human nature to wish it could continue forever. But, for all of the labor-saving progress that has been made, we still live in a world in which work and knowledge are essentials. And the advances of science and technology have vastly increased the kind and amount of education that is needed if the young person is to have a successful and rewarding career as an adult. Little room is left for the uneducated and the half-educated. Those who lack at least a high school education face a tough road ahead. And college training is of necessity demanded by more and more employers.

Nowadays, stress is laid on physics, mathematics, the chemical arts, and other of the sciences. But the boy or girl who learns only a trade or a profession is but half a person. The finished student must have at least a fair working knowledge of literature, the other fine arts, and economics. It is in this last classification that the schools, in too many instances, seem to have failed. Too many graduates leave the halls of ivy with an insufficient understanding of this country's economic system and the system of representative government it supports, which together have protected the individual's liberty and made this nation great and powerful. Lack of understanding of the political and economic heritage by which we live is a most serious weakness in a world torn by conflicting and angry ideologies.

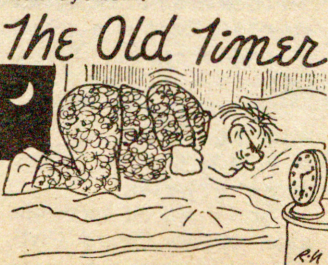

Let the student return to school with a will. And let his school properly prepare him for a constructive place in the world he will enter as an adult.

Investment services vary as to their attitudes on the longer term basis, i.e. more than six months. A number of well known services believe that the near term appears to be good, but uncertainties exist due to the foreign situation and international monetary problems. The foreign situation appears to have many problems.

If we are going deeper into the Viet Nam war, analysts express belief that the labor market will become tighter in the skilled segments. In such a condition, there would be pressure for wage increases.

Some analysts express belief that inflation pressures are building up, but that the government is unlikely to try and effect wage and price controls. The ana-

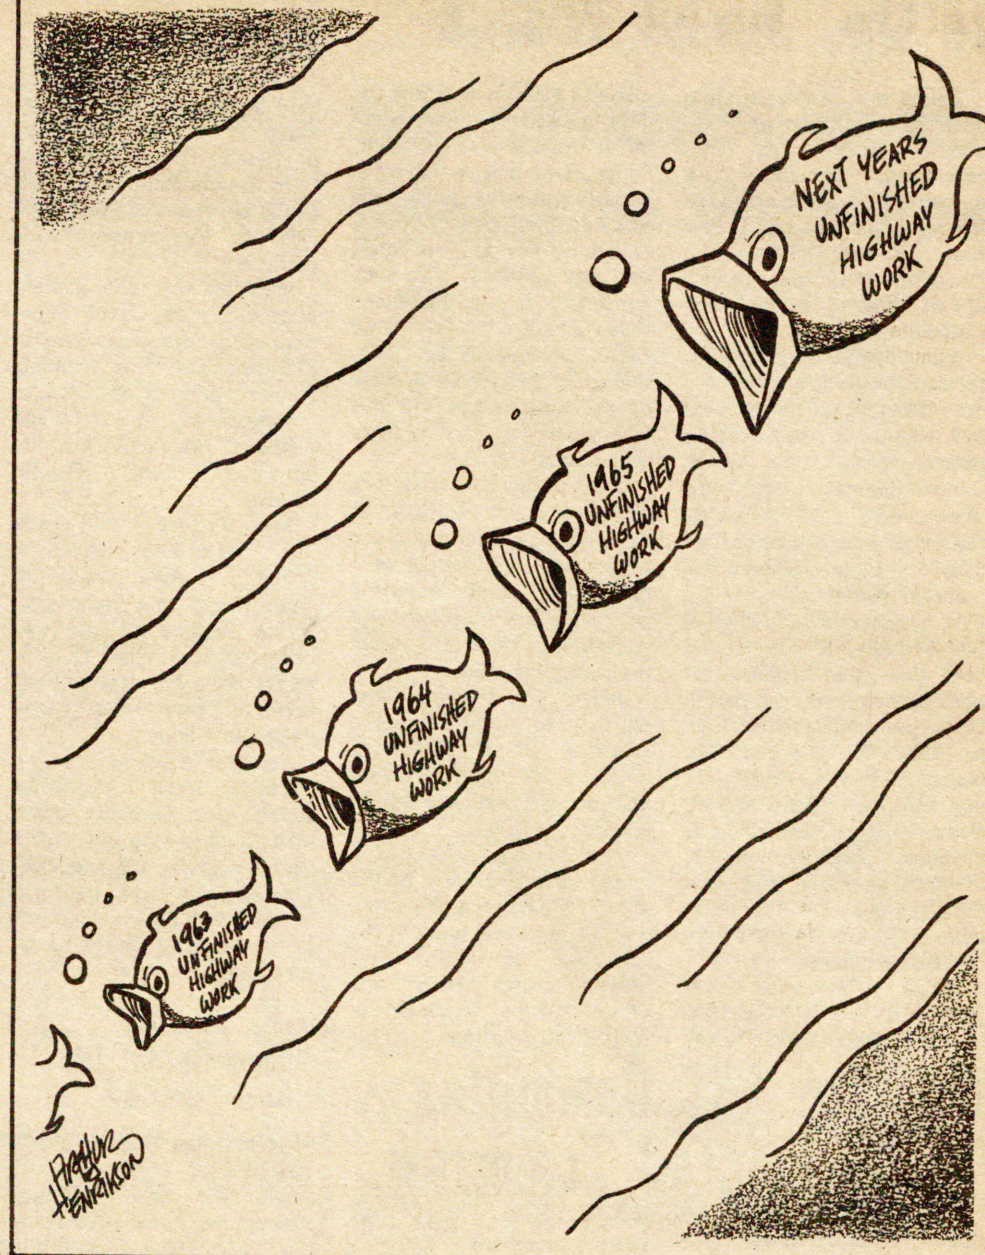

lysts used by the U.S. News & World Report, express belief that it would take a big war to bring back wage and price controls. The comment also notes that there is always the chance that the Communists will come to realize they are not going to be allowed to win and will suddenly accept a truce. This magazine states the communists are talking now and seem confident of winning.

Firms which are important in manufacture or distribution of medical care, are expected to benefit considerably from the enactment of the medicare and hospital aid bills.

If the war grows stronger this magazine expects the government to act quickly in the event of a steel strike before Sept. 1.

THE TAXPAYERS FEDERATION of Illinois has been sending out press releases for many, many years dealing with problems involving the financial affairs of governing bodies and how far they have reached into the purse of John Q. Public.

It keeps tab on the legislation passed by both the Illinois legislature and congress that effects the public's pocketbook and sometimes it has been instrumental in driving off the guys in the black hats who were waiting at the pass for the stagecoach with the bullion shipment.

Maurice W. Scott, the executive secretary, wears a white hat, as do the other members of the Tax Federation staff, because they are all good guys and serve the public well.

As evidence of their public service is a recent release dealing--of all things--with vacations. The state legislators have finished their work --no, work is not the word, now lets see what was it they did --oh, yes, they adjourned, and since they collect a fair amount of pay these days no doubt some of them went on vacation.

As a service to vacationers the Tax Federation of Illinois has compiled a list of the states with the tree taxes most people encounter when traveling thru them.

SO MANY people travel by car that the gasoline tax is big business everywhere. Mr. Beard, as Uncle Sam is sometimes called, has a bite

that is constant as far as gasoline tax is concerned. Wherever U. S. taxes are in vogue one pays four cents a gallon as gas tax. The state taxes vary as one may see at a glance in looking over the tax tips for travelers by the Illinois Tax Federation.

California and Alaska takes the biggest bite of all, eight cents a gallon, with Arkansas, Nebraska and Washington next at 7.5 cents. A lot of states have a seven cent tax, Alabama, Florida, Iowa, Kentucky, Louisiana, Maine, Maryland, Mississippi, New Hampshire, North Carolina, Ohio, Pennsylvania, Rhode Island, South Carolina (apparently the governor of North Carolina said to the governor of South Carolina or vice versa ..."let's keep the gas tax even") Tennessee, Virginia and West Virginia.

The rest of 'em charge five, six or 6.5 cents per gallon. Five cents is the smallest tax charged. Illinois has a five cent gasoline tax but it also gets the motorist for another bite on the tigers he buys thru nicking him four cents on every dollars worth he puts in the tank. No doubt many other states do the same thing so the man behind the wheel gets a peeling wherever he drives.

Eleven of the 50 states do not impose a sales tax but there are only two where cigaret smokers escape--North Carolina--which is not surprising when one consid-

ers how much it depends on tobacco for the livelihood of so many of its citizens, and the other one is Oregon. Oregon also is one of the states where there is no sales tax, the other 10 being Alaska, Delaware, Massachusetts, Minnesota, Montana, Nebraska, New Hampshire, New Jersey, Vermont and Virginia.

TEXAS, AS USUSAL, does it big when it comes to cigaret taxes, it charges 11 cents a pack as does Washington. Members of congress only have to pay two cents a pack tax on cigarets if they do their shopping in the District.

Kentucky has a 2.5 cents tax on gaspers and in Virginia, another tobacco state, the tax is three cents, and so it is in California. Good old New York really lets you have it--10 cents a package for the state and 10 cents a package for New York City.

There are two states where the cigaret tax is collected on a percentage basis. In Hawaii it is 40% and in New Hampshire, 21% --presumably on the package price.

But shucks, don't worry about taxes while on vacation. As a matter of fact there is no use worrying about them at anytime because worrying isn't going to get them cut. You know everything is costing more every day whether you stay home or go some place so you may as well relax and get what enjoyment you can.

The daily papers last week reported Governor Kerner as being very happy over an error by the Republicans in the senate. An amendment to the bill covering sales tax on leasing things took care of the occupational tax but failed to cover the use tax, thus leaving a lot of goodies for administration to grab including a tax on wheel chairs and hospital beds that are rented.

Surely there must be some way to put an extra tax on the blind.

MR. AND MRS. ARTHUR KASTMAN

(Behnke Photo)

Miss Barbara Ann Yunker, Arthur Kastman Married

Marriage vows were recited by Miss Barbara Ann Yunker, and Arthur Gary Kastman at 7 o'clock the evening of June 5, in St. Johns United Church of Christ, Mokena.

She is the daughter of Mr. and Mrs. Erwin Yunker of Monee. Mr. Kastman, 136 W. Francis road, New Lenox, is the son of the late Mr. and Mrs. Arthur Kastman of 423 Harwood st., Joliet.

The double ring ceremony was performed by Rev. Theodore Wimmeler, before an altar decorated with white gladioli and ferns. The altar candles were lit by Wayne Reckemer of Tinley Park, and Dale Anderson of New Lenox.

Miss Willa Schrader of Frankfort, vocalist, was accompanied at the organ by Miss June Swanberg of Mokena.

The bride, given in marriage by her father, wore a floor length gown of white nylon organza over peau taffeta. It featured a snugly fit bodice featuring a scooped neckline and three-quarter length sleeves. Alencon lace inserts accented the bodice.

The full skirt featured a controlled front look with the very full peacock back extending into a chapel length train. Her finger-tip veil of french illusion was attached to a lace and pearl trimmed rose petal organza crown. Her bouquet was of cascading Amazon lilies.

Mrs. Thomas Seibert of Chicago, served as her sister's matron of honor. Bridesmaids were, Miss Claudia Nesbitt of Orland Park, friend of the bride, Miss Diane Blomquist of Blue Island, Miss Joan Yunker of Mokena, and Miss Wanda Yunker of Orland Park, cousins of the bride, and Miss Nancy Yunker, sister of the bride.

The attendants were identically attired in floor length sheath dresses of powder blue chiffon over taffeta, with matching rose-petal head-

pieces. They wore heart shaped necklaces, a gift of the bride, and bouquets of blue and white daisy mums completed their ensemble.

Becky Boyce of Orland Park, flower girl, wore a street length dress of powder blue chiffon over taffeta with empire waistline, and carried a white basket of rose petals with blue streamers.

Joseph Wilmsen, Sr. of Nex Lenox served as best man for his brother-in-law, and ushers were, Dale Anderson, of New Lenox; Wayne Reckemer of Tinley Park; Bruce Yunker of Monee, and George Hentsch of Mokena.

Ringbearer was Joseph Wilmsen, Jr. nephew of the bridegroom.

The brides mother chose a pink embroidered eyelet sheath dress featuring a three quarter length jacket with matching accessories and a white orchid corsage.

Grandparents of the bride, Mr. and Mrs. Fred Yunker of Orland Park and Mr. and Mrs. Emil Reckemer of Tinley Park, attended. Both

Mrs. Yunker, who wore a light blue crepe dress, and Mrs. Reckemer who was attired in a navy blue print dress, wore white carnation corsages.

A wedding dinner and reception was held after the wedding, at the Peotone Atrium where both halls were opened for the dinner and dance at which 500 relatives and friends attended.

A five-tiered wedding cake centered the U shaped table where the bridal party sat.

Assisting at the reception were Mrs. Elizabeth Warning of Tinley Park who cut and served the wedding cake and the misses, Karen Sedbrook and Susan Hentsch who had charge of the guest book.

After a honeymoon spent at Lake of the Ozarks, the newlyweds are now residing on Elmwood Court, at Mokena.

The bride is a graduate of Peotone high school and is employed in the offices at Alexander-Smith Carpets in Chicago. The bridegroom attended Joliet Township high school and is now employed at Yunker Implement Company in Orland Park. He served with the U. S. Army for three years, spending 16 months in Korea and three months in Germany.

Homemakers Will Attend Fashion Show

Plans to attend a style show and luncheon in Marshall Field's at Park Forest during the month of August and a family picnic in September at the home of Rev. and Mrs. August J. Bueltmann, LaPorte road, were discussed when members of the Frankfort - Mokena unit of the Homemakers Extension Association was held recently in the home of Mrs. George Elsner, Frankfort.

The major lesson, Americanism vs Communism was presented by Mrs. Leslie Bignall and Mrs. Robert Ni-

xon. Members of the Mokena Keenette 4-H club, Susan Dixon, Sharon Neuls, Joan Westphal and Cheryl Miller, modeled skirts they had made. Miss Dixon also demonstrated the preparations in making brownie cookies. Miss Dana Kovar, of the Lincoln Lassies 4-H club, was also present.

Mrs. Emil Groth served as co-hostess and Mrs. Wilbert Lauffer of Peotone attended as a guest.

The next meeting will be held in the home of Mrs. William Miller on Tuesday, Sept. 21.

MRS. WILLIAM N. COONEY

Sue Ann Shoop Becomes Bride Of Lt. William N. Cooney, USAF

Mrs. Thomas Arthur Shoop of Mokena, announces the marriage of her daughter, Sue Ann, to Lt. William N. Cooney, United States Air Force, Elgin Air Force Base, Florida. Lt. Cooney is the son of Mr. and Mrs. Milton F. Cooney of Rochester, New York. Sue Ann is the daughter of the late Mr. Shoop.

The candlelight service was held July 24, at 7:30 p.m. in the Mokena Methodist church. The Rev. Robert Watson performed the ceremony assisted by Rev. E. Dale Kleinschmidt of Villa Park. Mrs. Willard Barez provided appropriate organ music and accompanied the soloist Miss Bonnie Rydell.

The bride was escorted to

the altar decorated with a bouquet of white carnations and yellow daisies, by her brother Steward A. Shoop of Mokena. The bride wore a white silk faced peau gown, having a tightly fitted bodice, bateau neckline and bracelet length sleeves. Appliques of re-embroidered Alencon lace trimmed the waist and the newly fashionable controlled skirt. The gown featured a cosque shape shoulder train of matching fabric with appliques of beaded Alencon lace. A crown of flowers and pearls held a long cascading silk French illusion veil. She carried a bouquet of yellow roses and white daisies.

Mrs. Steward Shoop was

matron - of - honor for her sister-in-law. The bridesmaids were Mrs. Max Willis of Terre Haute, Ind., Mrs. Lynn Miller of Chicago, and Miss Gayle Harling of Mokena. The attendants all wore floor length dresses of white silk organza with yellow satin trim, having a scooped neckline and elbow length sleeves. Bows of yellow satin with four layers of veil adorned their heads. Their bouquets were of yellow daisies and ivy.

The flowergirls, Lisa and Debbie Shoop, nieces of the bride, wore dresses similar to the attendants. The ringbearer, Marshall Shoop, nephew of the bride, wore a white linen suit.

Lt. Cooney's best man was Lawrence Hogan of Indianapolis, Ind. Ushers were Bruce T. Shoop of Houston, Texas; Lynn Miller, of Chicago and Kermit Ross of Cicero, Ind.

A reception was held after the wedding at the Willow Run Country Club.

For the wedding, the bride's mother chose a two-piece dress of light blue silk with harmonizing accessories while the bridegroom's mother, Mrs. Cooney, wore a pale green dress of silk.

For a short wedding trip to Mackinac Island, the bride wore a three-piece beige silk suit with a deeply V'd jacket and contrasting accessories.

After the wedding journey the Cooney's will live at the Gulfview apartments, Fort Walton Beach, Florida.

On the night before the wedding, Mr. and Mrs. Milton Cooney gave a rehearsal dinner at D'Amico's "214" in Joliet for the wedding party and out of town guests.

On June 9, Mrs. George W. Steele and Mrs. Milton Geuther gave a shower for Mrs. Cooney at the home of Mrs. Geuther. On June 24, Mrs. Steward Shoop and Mrs. John Charvat gave another shower for the bride at the home of Mrs. Shoop.

Couple Exchanges Vows At St. Anthony's Church

On June 12, in St. Anthony's Roman Catholic church, Lincoln Estates, Frankfort, a nuptial mass united Diana Mankowski, daughter of Mr. and Mrs. Raymond Mankowski, Lincoln Estates, and Mr. Charles Hammond, son of Mr. and Mrs. James Hammond, New Lenox, in the holy bonds of matrimony.

The Rev. Cecil Koop officiated at the double ring ceremony before an altar decorated with various garden bouquets. Mrs. Marlene Wilson sang appropriate songs for her sister's wedding, accompanied by Joyce Steck.

The bride was given in marriage by her father, wearing a full length silk organza dress with a scallop neckline and long tapered sleeves. Alencon lace appliques with tiny seed pearls held her bouffant veil in place. She carried a bouquet of cascading stephan-

otis centered by a white orchid.

Mrs. Tanya Thompson of Chicago, attended as matron of honor. Bridesmaids were Miss Jean Petro, Chicago, Miss Karen Gullfoyle, Chicago, and Miss Marcia Hammond, sister of the groom, New Lenox. The attendants wore blue full length scooped neckline silk organza over taffeta dresses featuring a large full bow at the back. A bow headpiece held their face veils in place. A basket of miniature white carnations was carried by each.

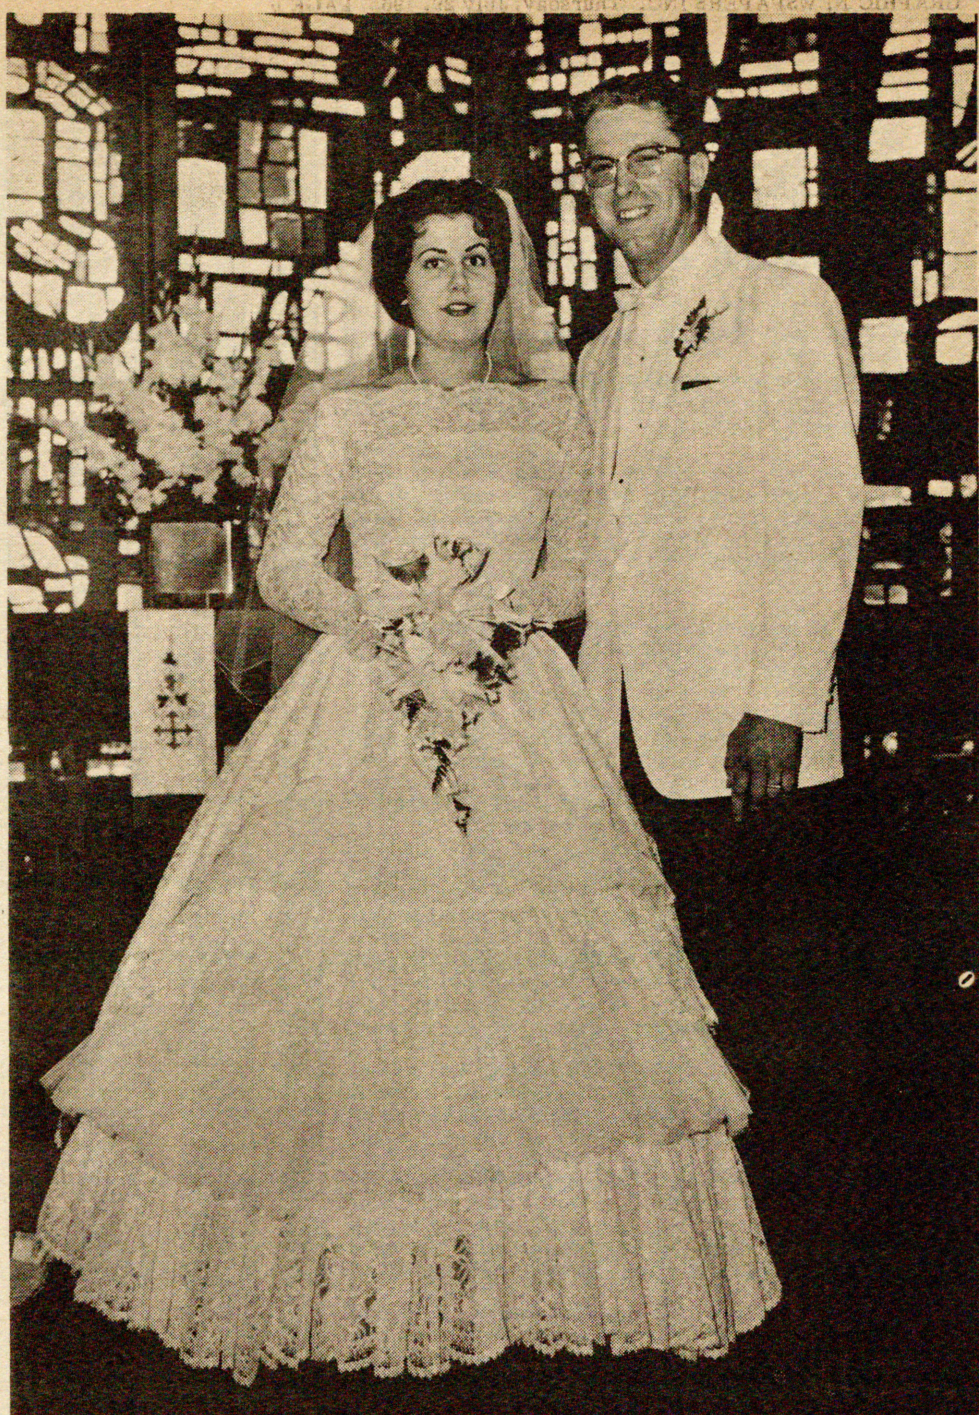

George Bennett Thompson of Chicago was best man. Maurice Rhodes, Chicago, Richard Hammond, Joliet, brother of the groom, and Raymond Mankowski Jr., brother of the bride assisted as groomsmen.

A reception followed at the V.F.W. hall, Mokena.

After a honeymoon to French Lick, Indiana, the young couple is now residing in Custer Park.

Margaret O'Brien Hit At Piccolo In 'Gigi'

Margaret O'Brien, starring in the hit comedy, "GIGI", at the Piccolo Playhouse in Joliet, is playing to enthusiastic capacity audiences. Miss O'Brien continues in "Gigi" thru Aug. 1.

She began her movie career at the age of four, since then making more than 20 movies, including the Academy Award winner, "Meet Me In St. Louis", made when she was 8 years old. She has made many

appearances in stock, on national tours including "Under the Yum Yum Tree" with Hugh Marlow and James McArthur, and numerous guest appearances on all the top TV dramatic presentations. Richard Stadlemann, Eileen Sparks, Dianne Gibbons, Martha Webster, and Piccolo Playhouse regulars Otto Schlesinger and Yvonne Powell complete the cast of "Gigi".

Richard Stadlemann, a well-known Chicago actor, appeared last winter with Walter Pidgeon in "The Happiest Millionaire" at Drury Lane. His roles range from stock comedy to opera. The other cast members are also well-known for their work in all the Chicago area theatres.

Next at the Piccolo Playhouse is Eddie Bracken in the hilarious musical, "A Funny Thing Happened On The Way To The Forum", Aug. 3-15. Robert Q. Lewis stars next in the Parisian musical, "Irma La Douce", August 17-29. The schedule for the Piccolo Playhouse season will be announced later.

Miss Shirley R. Kaehler, Edward B. Mercier Wed

Before an altar decorated with gladiolus, Miss Shirley Ruth Kaehler exchanged nuptial promises with Edward B. Mercier on Saturday, July 3.

Mr. and Mrs. George H. Kaehler of Hillside rd., Lincoln Estates, Frankfort, are the parents of the bride. Mrs. Christ Simmons and the late Clarence Mercier are the groom's parents.

The Rev. George Busekros officiated at the double ring ceremony held at 5 o'clock in the afternoon in Salem United

Church of Christ at Oak Lawn. Organ selections were played.

The bride, given in marriage by her father, wore a gown of Alencon lace and nylon tulle with sequin trim bordering the scalloped neckline of the fitted bodice. Alternate layers of lace and tulle fashioned the bouffant chapel-trained skirt. A flowered crown held the elbow length, silk illusion veil. She carried a cascade of white orchids and step-

anotis.

Barbara Emmett, sister of the bride, assisted as matron of honor. She wore a peony pink georgette dress in empire style with long full skirt. Her hat was made up of a flowered crown and nylon tulle veil. Her bouquet consisted of white carnations and pink roses.

Dressed identically to the matron of honor were three bridesmaids, Mrs. Mary Schwarz, Miss Barbara Prosser and Miss Linda Emmett. They carried bouquets of white carnations and pink roses. The flower girls, Pamela Schwarz and Deborah Dornisch were dressed similar to the bridesmaids and carried baskets of pink rose petals.

Don Sinclair, brother of the groom, served as best man. The groom's other attendants were John Schwarz, William Kenny and Theodore Emmett, Jr.

Following the ceremony a reception was held at Michael's Spot Caterers in Joliet, buffet style. The bridal table was centered with a four-tiered wedding cake.

Mrs. Kaehler, mother of the bride, wore a teal pink georgette dress with matching accessories, complemented by a corsage of pink roses.

The groom's mother, Mrs. Christ Simmons, chose an aqua silk sheath with matching accessories, complemented by a corsage of pink roses.

The newlyweds drove to Lenelle's Lodge in Winchester, Wis. for a two-week honeymoon. They are now at home in Calumet Park.

Mrs. Mercier is employed by the Great Lakes Carbon Corp., Chicago, while Mr. Mercier is employed by Dreis and Krump of Chicago.

10-Year Delinquent Tax List

OFFICE OF COUNTY TREASURER OF COOK COUNTY AND EX-OFFICIO COUNTY COLLECTOR OF COOK COUNTY, ILLINOIS

July 29, 1965

Advertisement and Notice of Collector of Cook County of Application for Judgment for Sale of All Lands and Lots upon which All or a Part of the General Taxes for 10 or More Years are Delinquent, and Notice of Sale Thereof.

July 29, 1965

NOTICE IS hereby given that the said Collector of Cook County will, pursuant to the provisions of Section 235a of the Illinois Revenue Act of 1939, as amended, apply to the County Division of the Circuit Court of Cook County on the 9th day of August, A. D., 1965, for judgment against lands and lots herein-after described, being parcels upon which general real estate taxes for 10 or more years remain due and unpaid, and for an order to sell said lands and lots for the satisfaction thereof according to law.

Notice is further herein and hereby given that on the 5th Monday next succeeding the 9th day of August, A.D., 1965, to-wit, the 13th day of September, 1965, at the hour of 9 o'clock A.M. all said lands and lots hereinafter described, for sale of which an order shall have been made, will be exposed to public sale in the building where the County Division of the Circuit Court is held, namely, the County Building, 118 North Clark Street, Chicago, Illinois, to the highest bidder for cash.

The following is a list of delinquent lands and lots upon which the general real estate taxes remain due and unpaid for 10 or more years, the names of the owners where known, the total principal amount due thereon, and the years for which the same is due.

(The total amount due in this application on each tract or parcel of land or lots is the total principal amount, due as hereinafter set forth, plus the statutory penalties, interest and costs which may be computed for each year for which said parcel is delinquent.)

EXPLANATORY NOTE --In this list in all places where no other notation is made the figures in the column headed "\$" (meaning dollars) and the "cts" (meaning cents) represents the total principal amount of the general real estate taxes due and unpaid for all years for which that parcel is delinquent, whether or not that parcel was forfeited for any or all of such delinquent years.

Payment of taxes made after printer's copies are sent to publishers for listing are not reflected in this list, but such payments will be posted before judgment is entered on the application advertised herein.

In lieu of legal description, each parcel of land or lot is designated by a permanent real estate index number.

In the permanent real estate index number system the area is designated by the number appearing in the column headed "A," the sub-area by the number in the column headed "SA," the block by the number appearing in the column headed "Blk," and the particular parcel by the number in the column headed "Pcl."

Comparison of the permanent real estate index number with the legal description of any parcel may be made by referring to the cross indices maintained in various County offices.

ORDINANCE NO. 310
AN ORDINANCE DEFINING DANGEROUS BUILDINGS AND PROVIDING RULES AND REGULATIONS FOR THE REPAIR OR DEMOLITION THEREOF.

BE IT ORDAINED by the President and Board of Trustees of the Village of Orland Park, Cook County, Illinois, as follows:

SECTION 1
DEFINITIONS. The term "dangerous building" as used in this ordinance is hereby defined to mean and include (a) any building, shed, fence or other man-made structure which is dangerous to the public health because of its construction or condition, or which may cause or aid in the spread of disease or cause injury to the health of the occupants of it or of neighboring structures; (b) any building, shed, fence, or other man-made structure which, because of faulty construction, age, lack of proper repair or any other cause, is especially liable to fire, and constitutes or creates a fire hazard; (c) any building, shed, fence or other man-made structure which, by reason of faulty construction, age, lack of proper repair or any other cause, is liable to cause injury or damage by collapsing or by a collapse or fall of any part of such a structure; (d) any building, shed, fence or other man-made structure, which, because of its condition or because of lack of doors or windows is available to and frequented by malefactors or disorderly persons who are not lawful occupants of such structure.

SECTION 2
NUISANCE. Any such dangerous building in the Village is hereby declared to be a nuisance.

SECTION 3
MAINTENANCE OF DANGEROUS BUILDINGS. It shall be unlawful to maintain or permit the existence of any dangerous building in the Village of Orland Park; and it shall be unlawful for the owner, occupant or person in custody of any dangerous building to permit the same to remain in a dangerous condition, or to occupy such building or permit it to be occupied while it is or remains in a dangerous condition.

SECTION 4
ABATEMENT OF NUISANCE. Whenever the Building Commissioner, the Chief of the Fire Department or the Health Officer of the Village of Orland Park shall find that any building or structure in the Village of Orland Park is a dangerous building, he shall file a written statement to this effect with the Village Clerk. The Village Clerk shall thereupon transmit said statement to the President and Board of Trustees for their consideration, and upon direction of the President and Board of Trustees, the Village Clerk shall cause written notice to be served upon the owner of said dangerous building and upon the occupant thereof, if any, by registered mail or by personal service. Such notice shall state that the building has been declared to be in a dangerous condition, and that such dangerous condition must be removed or remedied by repairing or altering the building or by demolishing it; and that the condition must be remedied within thirty (30) days from the date of said notice. Such notice may be in the following form:

"To (owner - occu-

pant of the premises) of the premises known and described as

"You are hereby notified that (describe building) on the premises above described has been condemned as a nuisance and a dangerous building after inspection by

"The causes for this decision are (here insert the facts as to the dangerous condition).

"You must remedy this condition or demolish the building within thirty (30) days after the date of service of this notice or the Village of Orland Park will proceed to do so."

If the person receiving such notice has not complied therewith within thirty (30) days from the time when such notice is served upon such person by personal service or by registered mail, the Building Commissioner may, upon orders of the Village President, proceed to remedy the condition or demolish the dangerous building.

SECTION 5
COURT PROCEEDINGS. Whenever the Building Commissioner, the Chief of the Fire Department or the Health Officer of the Village of Orland Park shall find that any building or structure in the Village of Orland Park is a dangerous building, he shall file a written statement to this effect with the Village Clerk. The Village Clerk shall thereupon transmit said statement to the President and Board of Trustees for their consideration. Upon direction of the President and Board of Trustees, the Village Clerk shall cause written notice to be served upon the owner of said dangerous building and upon the occupant thereof, if any, by registered mail or by personal service. Such notice shall state that the building has been declared to be in a dangerous condition, and that such dangerous condition must be removed or remedied by repairing or altering the building or by demolishing it; and that the condition must be remedied within thirty (30) days from the date of said notice. Such notice may be in the following form:

"To (owner - occupant of the premises) of the premises known and described as

"You are hereby notified that (describe building) on the premises above described has been condemned as a nuisance and a dangerous building after inspection by

"The causes for this decision are (here insert the facts as to the dangerous condition).

"You must remedy this condition or demolish the building or the Village of Orland Park will make application to the Circuit Court of Cook County, Illinois, for an order compelling you to make said repairs or demolish said building or for an order authorizing the Village to make said repairs or demolish said building."

Where, upon diligent search, the identity or whereabouts of the owner or owners of any such building shall not be ascertainable, notice mailed by registered mail to the person or persons in whose name such real estate was last assessed shall constitute sufficient notice.

If the person receiving such notice has not complied therewith within thirty (30) days from the time when such notice is served upon such person by personal ser-

vice or by registered mail, the Village Attorney shall be authorized to institute proceedings in the Circuit Court of Cook County, Illinois, requesting for and on behalf of the Village that an order be entered requiring the owner or owners of said building to repair or demolish same or that the Village be granted authority to repair, enclose or demolish said building or cause the demolition, repair or enclosure thereof.

The cost of such demolition or repair shall be recoverable from the owner or owners of such real estate and shall be a lien thereon, which lien shall be superior to all prior existing liens and encumbrances, except taxes; provided that, within sixty (60) days after such cost and expense is incurred the municipality, or person performing the service by authority of the municipality, in his or its own name, shall file notice of lien in the office of the recorder of deeds in the county in which the real estate is located or in the office of the registrar of titles of such county if the real estate affected is registered under the Torrens system. The notice shall consist of a sworn statement setting out (1) a description of the real estate sufficient for identification thereof, (2) the amount of money representing the cost and expense incurred or payable for the services, and (3) the date or dates when the cost and expense was incurred by the municipality. Upon payment of the cost and expense by the owner of or persons interested in the property after notice of lien has been filed, the lien shall be released by the municipality or person in whose names the lien has been filed and the release may be filed of record as in the case of filing notice of lien. The lien may be enforced by proceedings to foreclose as in case of mortgages or mechanics' liens. Suit to foreclose this lien shall be commenced within three (3) years after the date of filing notice of lien.

SECTION 6
PENALTY. Any person, firm or corporation violating any provision of this ordinance, or permitting any dangerous building, or any building or structure to remain in a dangerous condition, shall be fined not less than \$10.00 nor more than \$100.00 for each offense; and a separate offense shall be deemed committed on each day during or on which the violation occurs or continues.

SECTION 7
ALTERNATIVE ACTION. In addition to the actions authorized by other sections of this ordinance, the Chief of the Fire Department or any other municipal official whose duty it is to investigate fires, may make the investigations authorized by the statute found in Illinois Revised Statutes, Chapter 127 1/2, Paragraphs 9 to 14. If such officer shall find that any building or structure is so occupied or situated as to endanger persons or property, or by reason of faulty construction, age, lack of repair or for any other cause is especially liable to fire, or is liable to cause injury by collapsing or otherwise, he shall order the dangerous condition removed or remedied, and shall so notify the owner or occupant of the premises. Service of such notice may be in person or

Parents Of Mrs. Ian Brown Spend Week At Parsonage

VIRGINIA SASS
Telephone: 485-6424
Mr. and Mrs. Robert Bartholomew were guests last week in the home of their daughter and family, the Rev. and Mrs. Ian Brown, Craig and Ann. They are en route to California from Lima, Peru where they were guests of their son, Paul Bartholomew who is a missionary.

Mr. and Mrs. Don Reid and sons have returned home from Minnesota where they spent two weeks vacationing at Leech Lake.

Robin Chudy and Judy Campbell are attending the second three week session at the foreign language Day Camp -- Fleur de Lys on 167th St. Verda Jo Sass attended the first session of the day camp.

Mrs. Frank Splecker of Franklin Park was a guest last week in the home of Mr. and Mrs. Everett Bell.

Mr. and Mrs. Russell Lauffer and son David have returned home from a motor trip through the eastern states. They were guests at the home of Mr. and Mrs. Charles L. Lauffer in Lancaster, Pa.

The annual Marley church and Sunday school picnic will be held in Haley Park on August 1 following the morning worship service.

Each family is to bring a covered dish and a dessert to pass, their own table service and cloth for the dinner to be served at noon. There will be games for everyone.

Aug. 8 and Aug. 15 are vacation Sundays in the Marley Baptist Community church. There will be no services or activities of the church after the picnic, August 1, until church school on Sunday morning, Aug. 22.

The monthly meeting of the Marley Missionary Society was held at Haley Park on July 21. A picnic dinner was served at noon by the committee, Mrs. Ian Brown, Mrs. James Tilsy and Mrs. William Little. The

appointed, they were being taken to Messinger Woods near Marley for day camping last Monday, weather permitting.

The Junior Girl Scouts completed a five mile hike to the Mokena Community park and back on July 21. This hike proved the necessary completion to some badge work for the attending girls. They carried a sack lunch and managed to put in some hiking around the park for good measure before hiking home. Anyone for several pairs of hot tired feet?

The Summit Hill Boy Scout Troop has a week long camping trip to the Black River Falls, Wis. from July 31 thru August 7.

There will be enough boys from the troop who are not planning to attend that the regular monthly newspaper drive will be made as usual on the first Saturday of August, (Aug. 7). Anyone wishing to contribute newspapers, magazines or other easily transportable paper goods should have their donations bundled in some manner and placed at the front door or at the garage door before 9:30 a.m. Do not have the papers at the curb, since it might then interfere with the garbage collection which also takes place on Saturday.

Becky and Rich Kelsey of 9443 West Birch ave. were presented of their second child, another son, whom they named Randy Raymond. He made his entrance into the world at the Silver Cross Hospital on July 16.

Mama Kelsey and young Randy returned home a few days later to be shown off to his big brother, Dickie who is four years old.

The First Nighters have their August meeting scheduled to take place at the home of Mrs. Betty Fife on Birch ave. after a one month lay-off during July, due to the large number of vacations scheduled for its members. The meeting will be held next

Thursday evening, Aug. 5 at 8 o'clock.

The baseballs are flying free and fast with six games being played last week. The Babe Ruth team of 13 to 15-year-olds played against Frankfort on their field and emerged the victors of a 17 to 7 score.

On the same day the farm team of eight year olds under the managership of Joe Henderson were clomped soundly on our own field by the score of 10 to 3 by Mokena's farm team.

A tightly played game between the B Team of 9 to 12 year olds and the Lincoln Estate team on the Lincoln Estate field had our boys edged out when the winning run eluded the pitcher's attempt at a tag out at home plate in the final inning. The final score sadly enough was 12 to 11.

Just so that they would not feel so badly about losing such a close one, our boys fumbled their way to a 20 to 7 loss against Frankfort three days later.

The A Team of 9 to 12 year - olds also played two games last week with one being a complete rout by the score of 15 to 4 with Lincoln Estates coming out smiling. The second game last Thursday saw Manhattan squeeze by our boys 9 to 8.

The Summit Hill Cub Scouts were the guests of the Chicago White Sox management for the game Saturday, July 17. Nineteen of the boys joined the group to see the White Sox come out victorious.

The next scheduled White Sox game at which the boys are invited is for Saturday, July 31. Permission slips will be made available for the boys next week for those who intend going to the game.

Calvary Memorial Church Has Moved To Palos Hills

Historic Calvary Memorial church, since 1908 in the Englewood area of Chicago, has relocated in Palos Hills. Services are being held in "the Commons" of Stagg High School, 111th St. and Roberts rd., until a new church is built.

Sunday school, with facilities for all age groups, starts at 9:30 a.m., and the worship hour follows at 10:45 o'clock. The evening gospel hour is at 7:00 p.m. during the summer months. The mid-week prayer service is conducted Wednesday evenings, at 7:30 p.m., either at the parsonage, or at the home of a parishoner, as announced. Parish meetings will mostly be at the parsonage, 11411 Nashville st., Worth. Ladies', men's, and youth meetings will be featured regularly, and will be announced. Boys' Brigade and Pioneer Girls club will be formed as facilities become available. All services and group meetings are open to the public.

Calvary Memorial church participates in Youth for Christ and YFC clubs, in child evangelism and similar organizations, and in the Billy Graham campaigns and ministries. It is a member church of the Evangelical Mennonite conference, and is affiliated with the National Association of Evangelicals. College students attend Wheaton college, Moody Bible Institute, Fort Wayne Bible college, and Grace Theological Seminary at Winona Lake.

Calvary Memorial church is projecting a 4-stage building program at the south east corner of 111th st. and Roberts rd. with more than 900

feet frontage on the two roads, and 4.35 acres, after street dedication. The first stage will be a chapel-sanctuary facing Roberts rd. with Sunday school and worship facilities for 200 parishoners. The second stage educational unit will more than double the capacity. The third stage will provide a large sanctuary facing 111th st. The fourth unit is a parsonage. Spacious lawns and adequate off - street parking are included. Entrance will be from Roberts rd.

Specifications are being completed by the architect, Lester O. Johnson, so that building can be begun in late August or early September. The first unit is expected to be completed in 9 - 10 months. The real estate and the first unit will have an estimated value exceeding \$150,000. Future stages will increase the value another \$200,000 to \$400,000 it was said.

The pastor, the Rev. Tillman F. Amstutz, who has served Calvary church the past two years, is a graduate of Fort Wayne Bible college, and has taken additional studies at Wheaton college, Indiana State university, and Chicago system of colleges. In his 27 years of ministry, he has served as a pastor, a radio pastor, denominational publisher, district superintendent, and as chairman of the interchurch Central Illinois Sunday school convention and association. Mrs. Amstutz is also a graduate of Fort Wayne Bible college, where she majored in music. They have four children ranging from the first grade to college age.

Salt Product A Cure For Many Road "Headaches"

Today's science puzzler: name a "thirsty" chemical that attracts several times its own weight in moisture from the air and won't let it get away.

Here are more clues -- the same chemical gives off heat as it dissolves and is about 30 percent heavier than water.

Give up? The chemical is calcium chloride, a member of the salt family. But unlike ordinary salt, which is mined, calcium chloride is a co-product from the manufacture of other chemicals. Because of its unique properties, calcium chloride has many uses, chiefly in the highway field.

The power to attract and hold moisture makes calcium chloride a good dust preventative. And in Illinois, where there are 85,010 miles of unpaved roads, hundreds of tons are used each summer.

State road authorities say they use the chemical both to make rural residents happy and to preserve valuable road material. They claim that dust is actually what holds an unpaved road together. Once the dust is gone, larger stones work loose and soon end up in ditches. The road develops potholes and gets rough.

Taking an "ounce of prevention" approach, authorities have decided it is better to keep unpaved roads dustfree than to rebuild them

each spring. Calcium chloride is the only known chemical that will keep moisture in a road surface during long, dry periods. Roads that have been treated with the chemical have a dark, moist appearance, as if a light summer shower had just fallen.

More calcium chloride is used on Illinois streets and highways in the winter than in summer. The chemical gives off heat as it dissolves, which makes it a good ice melter. It is usually mixed with its cousin -- plain rock salt -- to make pavements safe even at low temperatures.

Illinois' farmers get into the act, too. It seems that adding weight to tractor tires gives the tractors more pulling power. Adding 100 pounds of weight to the tires, for example, will let the tractor pull or push 50 pounds more.

Calcium chloride is 30 percent heavier than water, so it is often used to give tractors the extra weight.

Right now, the people who live on Illinois' 85,010 miles of unpaved roads are more concerned about relief from the dust nuisance.

Junior Girl Scouts Hold Court Of Awards

MRS. EMIL WILLE
Telephone: 469-5277

The Lincoln Estates Junior Girl Scout troop 378 held a court of awards on Thursday, July 8, for the girls who had completed requirements for their badges. Those receiving badges were: Debbie Heath, water fun; Joy Fuller, cooking; Mary Abbott, home health and safety; Shirley Vaughn, home health and safety; Dorothy April, housekeeping.

The July 29 and August 5 meetings will be held at the home of Mrs. Lester Albrecht. Meetings will resume at the Fields residence on August 12.

Nine girls from the troop attended the Trikenia day camp July 12-16 at Van Horn woods. Those attending were: Dorothy April, Brenda Lough, Debbie Heath, Paul-ette Wilson, Mary Abbott, Shirley Vaughn, Karen Hauser, Maryanne Madsen and Jane Tyler.

Leaders and committee women who attended were: Mrs. Eddie Fields, Mrs. Lester Albrecht and Mrs. Cal Heath Jr.

The girls cooked, hiked and learned camp crafts while at Van Horn woods.

Mokena Blues Beat Bank Team Of New Lenox, 7-3

Tim Shanahan, Marty Novak and Dave Wallace combined hitting and pitching talents for the Mokena Blues to defeat New Lenox State Bank on July 23 at Mokena by a score of 7-3, in a game stopped by darkness after six innings. Shanahan led off the first inning with a homerun and Novak duplicated it with a man on base in the fifth after singling in the first and third, driving in three runs in the game. Wallace struck out 13 batters while scattering five singles and a double, allowing only two earned runs in gaining his sixth win. All putouts were made in the infield, with first baseman Rick Olson making the five outs not counted for by strike-outs.

Losing pitcher Wes Thomas struck out 12 and allowed

Ruths, Little League All-Star Teams Will Play At Frankfort

The Lincoln - Way Boys Baseball League consisting of Babe Ruth teams - boys 13, 14 and 15, and Little League teams, boys 9

through 12, from Manhattan, New Lenox, Mokena, Arbury Hills and Frankfort will play an all-star game at the Frankfort Community Park on Sunday, August 1.

The Little League game will start at 1:30 p.m. and the Babe Ruth game will begin at 3:30 p.m. Four players from each Babe Ruth team will represent their town in the game and three players from each Little League team will make up the Little League all-star team. The Babe Ruth game will be a contest between the all-stars from Frankfort and Mokena vs. the all-stars from New Lenox and Manhattan. The Little League teams will be divided into two groups - one representing Lincoln Estates, Frankfort and Arbury Hills vs. Mokena, New Lenox and Manhattan.

Those in charge urge the public to attend these games so that they may see the fine caliber of young men who have participated in the Lincoln Way boys baseball program this year. There is no admission charge.

The Mokena Reds lost by forfeit to New Lenox Moss when one of their players was put out of the game by the umpire and they had no one to replace him.

The Reds had better luck on July 20 as they defeated the Blues 7-5 behind a strong pitching performance by Nate Roesner, who gave up four hits and only one earned run, striking out 12 batters. All of the hits were singles, two of them bunts. Ken Warning had a double and triple, Bob Taylor a home-run and single and Gordon Bruce, two singles for the Reds. Mike Buske also doubled and pitcher Roesner had a single to round out the eight hits off losing pitcher Tim Shanahan. Only three of the Reds' seven runs were earned. Bill Zugenbuehler had two hits and Marty Novak and Bill Ryan, one each.

Friday, July 30, finds the Reds at Manhattan and the Blues playing New Lenox Moss at New Lenox.

Frankfort Man Completes Merchandising Course

Ed Switzer of Cooper-Show Ford, 11 White Street, Frankfort, has just completed a vehicle merchandising course conducted at Ford's Chicago Marketing Institute.

The course is one of a number offered by the Institute to dealers, their personnel and Ford Motor Company employees by professional, full-time instructors.

Subjects range from management and merchandising courses for dealers and their department managers to selling courses for salesmen. In addition, there are courses for selected Ford Motor Company personnel.

The classes actually are clearing houses for the most effective management methods used by successful automobile dealerships. The Institutes employ the latest personnel development techniques and equipment, and stress group participation in simulated selling or management situations.

Institute classes also are designed to benefit Ford and Lincoln-Mercury customers by emphasizing quality after-purchase service and adherence to high business ethics.
